RE: Pulltab Rules in St. Paul

The following is a list of the basic requirements for the sale of pulltabs and tipboards in Saint Paul. This list is not all inclusive, and is subject to change by the License Inspector and the Saint Paul City Council. Further reference should be made to the Saint Paul Legislative Code Section 409, and the State rules.

I am also available in the DSI License Division Office to help with any other questions you might have. I will keep licensed organizations informed about current city ordinances regarding charitable gambling as ordinance changes are made.

- 1) A site inspection will be made when premise permits are issued by the State.
- 2) Routine inspections of pulltab/tipboard operations are made on a regular basis. The city inspector must be able to get behind the jarbar during inspections. Please make your workers aware of this requirement.
- 3) Pulltabs must be sold from a jarbar, and may not be sold by employees of the liquor establishment.
- 4) The jarbar must have Plexiglas on 3 sides which is approximately 20" high. All pulltab sales must be made through the slot cut in the front of this Plexiglas.
- 5) Winning tickets must be dropped in a slot in the top of the bar after payouts are made.
- 6) Pulltabs must be sold from Plexiglas jars. Jars must be "fish bowl" type. Tickets must be dumped into jars and mixed.
- 7) As of September 30, 1991, posting is optional in St. Paul.
- 8) No cash registers are permitted.
- 9) House rules must be posted in a prominent place. If you post, the method of posting major winners must be outlined in your house rules.
- 10) The City complaint # (sign supplied by City) and compulsive gambling hotline #'s must be posted.
- 11) Separate cash banks shall be maintained for each deal. Cash must be kept covered in a drawer(s) of the jarbar.

- 12) Flares must be attached to the jars, but must not block an inspector's view of pulltab serial numbers.
- 13) Pulltabs sold in Saint Paul must pay back at least 70%. There will be no exceptions. Last sale payouts are permitted in Saint Paul.
- 14) The State gambling premise permit must be posted at the site. The State gambling manager license and the State organization license must be available for review.
- 15) According to State Statute 7860.0280: "A licensed organization must prominently post the following information at the licensed premises:
  - A) name of licensed organization
  - B) license number of licensed organization
  - C) effective date of license to conduct lawful gambling
- 16) You are required to file your entire Minnesota Monthly Gambling Tax Return with both the city and the state. Your monthly returns must have all of the required signatures and must include the monthly St. Paul worksheet. (copy attached)
- 17) 2.5% of your net receipts must be remitted to the City on a monthly basis. Checks should be sent attached to your monthly gambling tax return.
- 18) 10% of your monthly net profit must either be donated to the City Youth Fund and/or to an organization(s) listed on a list of eligible recipients approved by the City Council on a monthly or quarterly basis. Call the License Division for current copy of the list.
- 19) The Saint Paul Ordinance requires that at least 75% of net profits from charitable gambling in Saint Paul must be spent in the Saint Paul trade area. Of net profits, 51% must be spent on programs to benefit Saint Paul residents.
- 20) At each licensed premise, the organization must have the invoices or true and correct copies of the invoices for the purchase of all pulltab deals at the site or premise. Copies of the premise sketch must also be available at the site.

Your organization must comply with all of the items outlined above in order to operate in St. Paul.

**Sec. 409.05. On- and off-sale licenses; term; fees.**

409.05(g) Gambling Location \$66.00

**Sec. 409.08. Regulations generally.**

(6) No licensee shall keep, possess or operate, or permit the keeping, possession or operation of, on any licensed premises or in any room adjoining the licensed premises any slot machine, dice or any gambling device or apparatus, nor permit any gambling therein (whether or not licensed by the state), nor permit the licensed premises or any room in the same or in any adjoining building directly or indirectly under his or her control to be used as a resort for prostitutes or other disorderly persons, except that pulltabs, tipboards, paddlewheels and raffle tickets may be sold on licensed premises when such activity is licensed by the state pursuant to Minnesota Statutes, Chapter 349, and conducted pursuant to regulations contained in this Legislative Code.

Notwithstanding the foregoing, a licensee may permit, for specific functions or events, up to five (5) times per calendar year, for which written notice is given to the Department of Safety and Inspections at least forty-eight (48) hours in advance, the use of slot machines, dice and gambling devices on the licensed premises if (a) their presence or use on the licensed premises does not violate state or federal law, (b) their use is solely for social, recreational or amusement purposes, and not for fundraising of any kind or for any cause or purpose, and (c) no gambling other than lawful charitable gambling takes place on the licensed premises.

1. Notwithstanding other provisions of this Legislative Code to the contrary, the council may permit an on-sale licensee to permit the holding of a single event, such as a banquet, that includes the sale of raffle tickets as a part of the event activity; provided, that such events are separate from the public areas of the licensed establishment, not open to the general public, and the raffle conducted by a charitable organization licensed by the State of Minnesota.

**Sec. 409.21. Pull-tabs and tipboards in bars by qualified charitable nonprofit organizations.**

2. (a) *Permission of city council; endorsement; termination:*

(1) On-sale licensees may request permission of the city council to permit qualified charitable organizations to conduct lawful gambling in the form of paddlewheels, pull-tabs, raffles and tipboards only on the licensed premises. Application for permission shall be made to the license inspector and payment of the specified fee. If the application is granted, the license shall contain an endorsement specifying this approval and the gambling endorsement may be considered for renewal at the same time as the council may consider renewal of the on-sale license.

(2) In the event the permission of any charitable nonprofit organization to conduct lawful gambling on the licensed premises is terminated by the licensed establishment on whose premises the organization was conducting said gambling, or in the event such organization terminates its lawful gambling as a result of coercion, pressure or unreasonable or unlawful conduct by the licensee or its employees, the on-sale

licensee shall not be able to make application for a gambling endorsement for a new charitable nonprofit organization to take the place of the former organization until one (1) year after discontinuance of all gambling activity on the licensed premises by the former organization.

(b) *Gambling endorsement regulations.* Gambling endorsements in on-sale licenses shall be subject to the following regulations which shall be deemed as a part of the license, and failure of compliance may constitute grounds for adverse action as prescribed in the Legislative Code:

(1) Only charitable nonprofit organizations licensed by the State of Minnesota to operate paddlewheels, tipboards and pull-tabs may be allowed to sell paddlewheel tickets, pull-tabs, raffle tickets and tipboards on the licensed premises.

(2) Use of the licensed premises shall be by means of a written lease agreement between the licensee and the charitable organization. All leases shall comply with the provisions of Minn. Stat. Chapter 349 and the rules promulgated pursuant thereto. The lease shall expire with the premises permit; a copy shall be filed with the DSI director, and also a copy must be kept on the premises and available for public inspection upon request. Leases shall be governed by the following:

a. In the case of pull-tab dispensing devices, the lease agreement shall address cash shortages, game banks, machine repair, and prize reimbursement.

b. Reserved.

c. The licensee may not be reimbursed by the charitable organization for any license or permit fees, and the only compensation which the licensee may obtain from the charitable organization are the amounts fixed in the lease agreement.

d. All lawful gambling shall be conducted from a booth or pulltab dispensing device within a leased or wholly owned area with the following exception: raffle tickets, paddlewheel tickets consisting of thirty (30) numbers or less with no table and tipboards consisting of thirty (30) or less may be sold within all of the public area of the permitted premise with the exception of the bar service area. Raffle drawings, winning ticket redemption, paddlewheel location and tipboard seal opening must be within the leased or wholly owned area with the exception that pulltab prize redemption from dispensing devices may be made as set forth in subdivision (6) below. Paddlewheel tickets, pull-tabs, raffle tickets and tipboards shall neither be sold by employees of the licensee nor sold from the bar service area.

e. The construction and maintenance of the booth used by the charitable organization shall be the sole responsibility of the charitable organization.

f. The lease shall contain a provision permitting the licensee to terminate the lease if the charitable organization is found guilty of any violation of state or local gambling statutes, ordinances or rules and regulations.

(3) Only one (1) charitable organization shall be permitted to conduct lawful gambling on a permitted premises except on such premises where two (2) organizations are conducting lawful gambling at the time this section is passed, provided that this requirement will apply if one (1) of said organizations ceases operations.

(4) A pull-tab dispensing device must be protected by an alarm system that is centrally monitored and has a battery backup. Such alarm may protect just the machine or the entire premises.

(5) If readily perishable or potentially hazardous food, as defined in section 331.07 of the Legislative Code, is awarded as a prize in any charitable gambling, the storage and handling of such food shall be in compliance with all applicable requirements of Chapter 331 of the Legislative Code. The licensee shall be responsible for notifying the Department of Safety and Inspections that food, whether readily perishable or potentially hazardous or not, is being awarded as a prize in any charitable gambling taking place on the licensed premises, using such form or forms as may be prescribed by such office.

(6) Winning pull-tab tickets dispensed from dispensing devices may be redeemed by bar personnel from the bar service area, provided that a separate accounting of pull-tab proceeds and other funds of the licensed establishment is performed and made available to enforcement personnel.

*(c) Large charitable nonprofit organizations regulated:*

(1) Notwithstanding any other provision of law or of sections 409.21 and 409.22 of this chapter, not more than five (5) charitable nonprofit organizations which qualify as "large organizations" may be permitted to conduct lawful gambling in the form of paddlewheels, pull-tabs, raffles and tipboards on licensed premises after meeting all other requirements of Chapters 310 and 409 of the Saint Paul Legislative Code and of any other applicable statute, regulation or ordinance. The term "large organization," for the purpose of this chapter, shall mean and include any charitable nonprofit organization which has the size and resources, as well as the public acceptance and drawing power, sufficient to dominate in the competition for licensed premises in which to conduct charitable gambling so as to make it difficult or impossible for small charitable nonprofit organizations to find suitable or desirable premises in which to raise funds by charitable gambling. Any charitable nonprofit organization whose annual gross revenues for the immediately past fiscal or calendar year from all sources are in excess of ten million dollars (\$10,000,000.00) or whose annual management and administrative expenditures for its current budget year are in excess of three million dollars (\$3,000,000.00), or twenty-five (25) percent or more of whose net profits from charitable gambling are or have been distributed in at least three (3) of the last five (5) years to another nonprofit or charitable organization of which it is a local chapter or subsidiary, shall be presumed to be a large corporation. The computation of the above dollar amounts shall be the total for both the charitable nonprofit organization in question and any other such organization, if such other organization:

(a) Has the power to appoint a majority of the governing body of the organization in question;

(b) Has or exercises the authority to direct or control the work of the officers or employees of the organization in question;

(c) Provides half or more of the gross revenues of the organization in question; or

(d) Franchises or charters the organization in question, or permits the organization in question to use its name and/or organizational symbols in the conduct of the fund-raising activities of the organization in question.

(2) No endorsement to the on-sale license shall be granted to any on-sale licensee for a large organization until thirty (30) days after the effective date of this ordinance [Ordinance No. 17613]. If there are more than five (5) qualified applicants for such

endorsement, the council shall by motion set a future regular council meeting date at which five (5) such applicants shall be selected for the issuance of the liquor endorsements authorized herein. Such selection shall be by lot in accordance with the procedures indicated in section 409.16(e)(2) (excepting the payment of the special issuance excise tax). Not less than thirty (30) days after one (1) of such endorsements is revoked, denied or lapses for any reason, the council may establish a date for random selection among otherwise qualified applicants as provided above. If the number of applicants at any time is equal to or less than five (5), or less than the number needed to bring the total of such endorsements issued to five (5), then the council may issue such endorsements in the regular manner.

(3) The large organizations authorized to operate in on-sale licensed premises as provided for in this paragraph (c) shall be required to comply with all applicable requirements of law and of sections 409.21 through 409.23, including the payment of ten (10) percent of their net profits without allowance for cash shortages from selling paddlewheel tickets, pull-tabs, raffle tickets and tipboards as provided by section 409.22(11).

(4) The term "large organization" for the purpose of subsection (c) shall not include a club as defined in section 409.02 of this chapter where such club has an on-sale intoxicating liquor license issued under this chapter and the only charitable gambling carried out on the licensed premises is operated by the club itself in conformity with applicable state and municipal licenses and regulations thereunder.

(d) *Number of establishments restricted.* No charitable organization shall sell paddlewheel tickets, pull-tabs from booths, raffle tickets and/or tipboards in more than three (3) establishments licensed by the City of Saint Paul for the sale of intoxicating liquor in accordance with section 409.22; provided, however, that no such organization may operate in a second establishment until it has been in full operation for at least three (3) months in the first establishment. In the case that an organization is operating pull-tab dispensing devices, the organization may operate at a maximum of six (6) sites, but may not exceed three (3) pull-tab dispensing devices at any one (1) location nor a total of six (6) dispensing machines at all locations. Pull-tab dispensing devices may be located at establishments that concurrently operate a pull-tab booth.

c. Address demonstrable community needs that cannot be met because of the lack of
